

ESREL
2017

INFO & REGISTRATION POINT

ESREL
2017

JUNE 18-22
PORTOROŽ
SLOVENIA

University of Ljubljana
Faculty of Electrical Engineering

**27th International
European Safety and Reliability Conference
ESREL 2017
Portorož, Slovenia
closing speech**

JUNE 18-22
PORTOROŽ
SLOVENIA

University of Ljubljana
Faculty of *Electrical Engineering*

Introduction

- My apologies not to spend more time with some people, maybe not enough time with all of you
- Summary of the conference: plan versus realisation
- Risk Image Awards
- Acknowledgment
- ESREL 2018
- Closing statement and farewell (grab a lunch, which is outside, and go towards the next ESREL)

JUNE 18-22
PORTOROŽ

Organisation

Agencija 101

University of Ljubljana
Faculty of Electrical Engineering

ESRA

JUNE 18-22
PORTOROŽ
SLOVENIA

University of Ljubljana
Faculty of Electrical Engineering

Conference Program

- Expected: 300 papers – arrived: 455 papers
- 3 apologies well in advance that author cannot come
- 4 apologies within the conference that health left the participant(s)
- some papers not presented as reported by session chairs

JUNE 18-22
PORTOROŽ
SLOVENIA

University of Ljubljana
Faculty of *Electrical Engineering*

Conference program

- Daily opening – planned 4 invited plenary lecture – we got 5
- We made steering committee from ESRA – if we would do it again we would put Luca and Lesley and Tim to the group

SPONSORS EXHIBITION

2 workshops

HBM Prentscia Product Lines

ReliaSoft

Promotes the use of engineering methodologies for ensuring **reliability and maintainability** through software, support, and education. The software and services facilitate a wide range of reliability and related modeling and analysis techniques, such as life data analysis, accelerated life testing analysis, reliability block diagrams, and FMEAs.

nCode

Contains proven methods for processing engineering data with specific capabilities for **fatigue and durability analysis**. The software features an intuitive, graphical interface for processing both test and CAE data — enabling analytical processes to be streamlined.

ACKNOWLEDGMENT

JUNE 18-22
PORTOROŽ
SLOVENIA

University of Ljubljana
Faculty of Electrical Engineering

ACKNOWLEDGMENT

Terje Aven, Radim Briš, Enrico Zio – management help,

Luca Podofillini, Lesley Walls, Tim Bedford – experience from previous ESRELS

27 ESRA TC Chairs and Co-Chairs, Technical Program Committee (122 members) – more than 1000 reviews

Krzysztof Kołowrocki, Qamar Mahboob, Coen van Gulijk, Arturo González, Emmanuel Raimond, Andrej Prošek - special sessions

Bob Huisman, Pierre Dersin for panel discussion, **Willy Røed and Roger Flage** - pre ESREL workshop

JUNE 18-22
PORTOROŽ
SLOVENIA

University of Ljubljana
Faculty of Electrical Engineering

ACKNOWLEDGMENT

Andrej Stritar, Stephan Hirschberg, Enrique López Droguett and Antoine Rauzy – invited lectures

YOU ALL – for papers and presentations

JUNE 18-22
PORTOROŽ
SLOVENIA

University of Ljubljana
Faculty of Electrical Engineering

ACKNOWLEDGMENT

Faculty of Electrical Engineering

Dr. Samo Gašperič - for being my shadow and for all backup matters

Agencija 101

Leon Škrilec, Žiga Goltes,

Andrej, Tamara, Nika, Monika, Nuša, Aleš, Luka, Nik, Matej, Mentor
– for organisation

JUNE 18-22
PORTOROŽ
SLOVENIA

University of Ljubljana
Faculty of Electrical Engineering

ACKNOWLEDGMENT

Agencija 101

Tamara Korat – for technical-organisational matters

Maša Pogorevc – for administration

Dino Zupančič – for signing some documents

Thank you for your attention

Thank you all to come to ESREL 2017 and to contribute to its success
